

VR-MM5

The VR-MM5 Humbucker is specially designed for the Music Man® StingRay® 5-String Bass.

It Features Large Alnico 5 Staggered pole piece magnets under each string resulting in a completely optimized balance in tone and sound.

Connect the VR-MM5 in series if you're a player seeking a deeper, heavier loud sound or try the original parallel connection.

The VR-MM5 is carefully made with Plain Enamel Copper Wire and equipped with 4-Conductor Wire Leads and Fiber bobbins.
